## North West Inter regional Championships Selection policy

### Team Outcomes 2010

Following the recent successes at the Junior Inter regional's in the last few years, the North West (NW) Junior commission are looking to produce a team capable of matching 2009's 1<sup>st</sup> Place overall in the event.

This policy has been formed to be a basis for selection of the NW team in order for all junior coaches to be aware of the process to attain this target. It is impractical to create a policy for all eventualities, so this document looks at the major items. Wherever there is ambiguity the guiding principle must be to select the very best team.

### Management of team

*NW Junior Commissioner:* Martin Goswell (Warrington RC) - mgoswell@btconnect.com

*Boys Team Captain:* Richard Sinnott (Warrington RC) - boughside@aol.com

*Girls Team Captain:* Graham Jump (Grange BC) - GJump@grange.cheshire.sch.uk

*NW Time Trial Organiser:* Val Edwards (Runcorn RC) val@woodenscull.co.uk

### Selection and entry

- Most of the team selection will take place at the North West Junior Time Trials which will run on the 6<sup>th</sup> March 2010 at Northwich RC over 1500 meters.
- Closing date for entries will be 14<sup>th</sup> February 2010 (the Draw will be released only to club coaches, who can then change crew entries until 18<sup>th</sup> February in order to give crews the best chance to race)
- All entries must be on British Rowing Online system, no other form of entry will be excepted
- Each club that enters must also supply a contact name and number for volunteers to help at the Junior Inter regional Championships at Nottingham for each crew entered (this can be parents or sensible young people).

### Results

- **Competitors/coaches should understand that winning your category does not necessarily guarantee you are selected as other factors may need to also be considered in the selection process.**
- **Competitors/ coaches should also understand that they are racing all in a boat class and not just in age group; the selectors can promote younger juniors up a class if they beat older age groups.**
- Club coaches will be notified of crews successful in gaining selection after the event.
- Any empty slots in the team can be filled by the team captain in order to produce a full squad.
- Any 'row offs' will be done at Northwich Head on the 3rd April 2010

### Complaints

Complaints will only be considered from club coaches to the relevant team Captain (Girls and Boys)

The Team Captains' will have the final say on team selection.
